Figure 7: A diagram illustrating a system architecture for document management and analysis. The system is divided into two main sections: 'Author' (left) and 'Analyze' (right). The 'Author' section includes components like 'Legacy Systems', 'Middle-Tier Financials', 'Other Applications', 'IT Development Staff', and 'CTO IT Mgr'. The 'Analyze' section includes 'Online Analysis Server', 'Internet', 'Remote Users', 'Business Partners', 'Custom Applications', and 'Other Server Programs'. The diagram shows data flow between these components, including 'Digital Signature', 'List of Connections', 'List of Servers', 'List of Libraries', and 'Logging Database'. A central 'Connector Creation Tool' is also shown.
